HOW TO READ YOUR DIRECTORY

Rural residents names are listed alphabetically by last name, followed by first name, or initial, post office address, route number, and name of township -- then comes the section number and "O" or "R" for owner or renter -- then the telephone number

Following is an example of the method used:

Adamiec Robert N.J. 2 Cal 28 0 896-2372
(Last Name)(First Names)(P.O.Address)(Rt.No.)(Township)(Section No.)(OorR)(Tele.No.)

SUBJECT: TAX DEDUCTIBLE DOLLARS

The Employee Income Retirement Security Act of 1974 (ERISA) makes it possible for you to save taxes and also to plan for retirement. The law allows every individual a pension plan paid for with tax-deductible dollars.

You are eligible for a minimum tax deduction of \$750.00 -- because every self-employed person qualifies. If you do not use this deduction, you lose it; it is that simple!

You owe it to yourself to consider your retirement planning needs. To investigate the benefits you are allowed under ERISA, fill out the priority information card and mail it today. It requires no postage.
