Your telephone company has always tried to see telephone problems through *your* eyes. It approaches its problems with the determination that "the customer must be pleased," and develops its service to that end. Particular care is taken, therefore, in selecting telephone workers. Telephone people want to serve you. Your viewpoint is their constant concern.

KNOX SOFT WATER CO.

WE SOFTEN THE WATER FOR YOU on low-cost monthly rental basis. A modern utility service for home-renters and home-owners. No equipment to buy; no work to do.
